A Liberal Offer

I Guarantee to Cure Dyspepsia. If I Fail the Medicine Costs Nothing

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, I will furnish the medicine absolutely free if it fails to give satisfaction to any one using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents. Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is prepared by a process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and with out it the digestion and assimilation of food are impossible.

The carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This perfect combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

I am so certain of this that I urge you to try Rexall Dyspepsia Tablets on my own personal guarantee. Three sizes, 25 cents, 50 cents and \$1. Remember you can obtain Rexall Remedies only at—The Rexall Store. Thos. J. Chenoweth, corner Second and Sutton streets.

INDEPENDENT TELEPHONE

Men of Kentucky and Tennessee to Meet at Louisville December 20th and 21st—500 Companies to Be Represented

The independent movement in Kentucky is very active at present, and all the independent companies are arranging to have a meeting in Louisville on December 20th and 21st.

There are about 500 independent companies in the State of Kentucky and at least one representative from each company will attend the meeting. Elaborate preparations have been made for the entertainment of these representatives. This meeting will be the most important and most successful independent telephone meeting ever held. The purpose of the meeting is to reorganize the State Association on an incorporate basis. Every company in the State will join in the movement and make one comprehensive independent telephone system. All independent companies will work in harmony with each other for the purpose of extending service and making it more efficient.

Every citizen of Kentucky is interested in this movement, because these companies are owned by Kentucky capital and the Commonwealth will be greatly benefited by this concentrated movement on account of the extended and more efficient service.

MYSTERY

Surrounds the Death of James Madigan—Dies From Effects of Burns

James Madigan, aged about 50, single, and residing with his mother and brother in Aberdeen, O., died last evening at 5 o'clock from the effects of burns received in a singular and mysterious manner.

He spent Tuesday night in a house belonging to the family in the Narrows, a mile or so above town, as was his habit, and where he attended to matters about the place.

Yesterday morning at 8 o'clock his brother, Thomas, went up to the little farm, and while looking around his attention was attracted by the whining of a dog, which led him to the house, and on entering he was startled and horror-stricken at the sight that met his gaze. Immediately in front of the fire place the just and flooring had burned away and in the basement he saw the unconscious form of his brother lying covered with embers and parts of his body burned to a crisp.

Medical aid was summoned and the man removed to the home of his mother in Aberdeen, where he lingered until the hour named above, when he passed away, never having regained consciousness.

How it all happened is a matter of conjecture, and will remain a mystery, as the unfortunate man was alone at the time.

Madigan was a barnes man by trade and formerly worked for M. Brown of this city. He was a quiet man and was well liked by all who knew him. Besides his mother he leaves a sister and brother.

COLONEL JOHN A. KEITH.

Colonel John A. Keith, aged 78, is dead of asthma and Bright's disease at his home at Columbus, Ind. Colonel Keith was born in Germantown, but went to Indiana with his parents in his early manhood. At the breaking out of the Civil War he was the leading criminal lawyer of Southern Indiana, but he abandoned his profession to enlist in the Twenty-first Indiana Volunteer Artillery.

MAURICE COUGHLIN.

Maurice, the seventeen-year-old son of Mr. and Mrs. Thomas Coughlin, who underwent an operation for appendicitis at Wilson Hospital a month ago, died last evening at 5:30 o'clock. He was a bright, manly boy and his death will cause a pang of sorrow among a large circle of relatives and admiring friends.

His parents have the sympathy of the community in their bereavement.

His remains were taken to his late home near Germantown last night. The funeral will take place tomorrow morning at 10 o'clock from St. Patrick's Church, with services by Rev. Father P. M. Jones.

The funeral will be a double one, that of his uncle, John J. Coughlin, taking place at the same time and place.

Interment in Washington Cemetery.

GO TO THE RESCUE.

Don't Wait Till It's Too Late—Follow the Example of a Maysville Citizen

Rescue the aching back. If it keeps on aching, trouble comes. Backache is kidney ache. If you neglect the kidneys' warning, Look out for urinary trouble—diabetes. This Maysville citizen will show you how to go to the rescue.

M. C. Chisholm, 317 East Second street, Maysville, Ky., states: "The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.

BLOOD STANDS STILL

PILES CAN'T BE CURED UNTIL CIRCULATION IS RESTORED

It is useless to try to cure piles by operating or use of salves or suppositories—as long as the blood is stagnant in the lower bowel, new tumors will continue to form. Clear the blood—free the circulation. Then piles will leave for good. A successful, scientific, internal remedy is Dr. Leonard's Hem-Roid, sold under guarantee by J. James Wood & Son. Hem-Roid does its work thoroughly. \$1 for 24 days' treatment. Dr. Leonard Co., Station B, Buffalo, N. Y. Write for booklet.

REWARD MONEY

Division of the Big Fund For Arresting Wendling Has Not Been Agreed Upon

The scramble for the rewards offered for the arrest and conviction of the murderer of Alma Kellner of Louisville is expected to begin with the filing of suits, as there are so many claimants it is probable that the Courts will have to adjust the matter. Mrs. Cora Munes of Home, Mo., the milliner who gave Captain Carney information leading to the arrest of Wendling; Chief of Police Ellis of Houston, Texas, who sent the Louisville Department word that a man answering the description of the former janitor had been seen in Texas, and a number of others are seeking a part of the reward money. Mrs. Munes has not placed her claims in the hands of any attorney, stating that she believes that Captain Carney will look after her interests. Chief Ellis has engaged W. Marshall Bullitt to see to it that he is not left out when the money is distributed. Captain Carney and Detective Burke, the latter of San Francisco, have waived their claims to any part of the reward.

The reward money amounts to about \$6,500. The city of Louisville offered \$2,500, Frank Ford \$1,000, Colonel John H. Whallen and Colonel James Whallen \$1,000. Governor Wilton offered \$500. The remainder was made up by private subscription. Just when this money will be distributed and how it will be distributed is not at present known. It seems certain it cannot be settled outside of the Courts and it was stated that several suits will be filed soon.

ANYHOW, it was Chief Justice JOHN MARSHALL HARLAN of the Supreme Court for a brief period.

In this "initiative, referendum and recall" business, does it have anything to do with the recall of one WILLIAM JENNINGS BRYAN?

THE OXONERATION of Senator LORIMER by the Committee will no doubt cause THEODORE to again show his displeasure and incidentally his teeth.

THE Interstate Commerce Commission will issue an order requiring monthly reports on free transportation. Roads are also asked to make suggestions that will prove of benefit.

THE appointment of Justice WHITE to the Chief Justiceship is not at all pleasing to THE PUBLIC LEDGER. Justice HARLAN of Kentucky should have been given the honor by right of seniority, experience and superlative legal qualifications.

Is it better to have turkey high and the money with which to buy it, or to have turkey cheap and no money with which to purchase? Let us try to bear in mind the conditions these times, in order to contrast them with those that may exist two years hence, after the Democratic party has taken a turn at Taft tinkering.

It is not at all likely that ex-King MANUEL of Portugal will ever regain his throne. He is leading the life of a country gentleman in England at Wood Norton, the estate of his uncle, the Duke of Orleans. MANUEL is reported much happier in England than he ever was in Portugal. He was twenty-one years old on November 15th.

Senator Bradley will give a dinner at Washington tonight to Henry Watterson. Representative Bennett will be among those in attendance.

THE PIPE That Came From WILLIAMS'.

Apologies to W. W. D.

I love it, I love it, my pipe, that pleasant smoke; To me it is better than music, with all its minor notes.

I love it, I love it, my pipe I wouldn't sell, Because it came from Williams', the pipe I love so well.

Every morning for an eye opener I would hit my trusty pipe. And every care and trouble would surely take its flight.

I love it, I love it, at liberty or in a prison cell. Because it came from Williams', the pipe I love so well.

After supper every evening, by my grate fire warm and bright. My wife, a book, an easy chair and then my faithful pipe.

I love it, I love it, like I do my baby "Nell." Because it came from Williams', the pipe I love so well.

Now, for Xmas, don't send me cigars, for I do not like the taste. And, as for cigarettes, I know they would go to waste.

You can't send me a can of tobacco for the pipe I love so well. The pipe that came from Williams', the pipe I wouldn't sell.

We Carry the Best Line of Fancy Pipes in Maysville.

CAN a "hide-bound Democratic partisan" fully appreciate a Republican President appointing to the very highest office in the world an ex-Rebel Democrat? We guess not.

We should laugh three or four times a day.—Oxford (Ohio) Herald.

In Maysville, dear Uncle DAVID, we laugh 'steen times an hour. We would laugh more than that, but we all work ten hours per over here.

Yes, siree! In Maysville when we want to laugh real hard we take a look at our Court-house or the steps leading up to Forest avenue.

We take it all back. President TAFT is not a mean partisan. At least he has much appreciation of the fitness of things. He not only promoted Justice WHITE, Democrat, to be Chief Justice, but named J. R. LAMAR of Georgia, another Democrat, for Associate Justice. We heartily congratulate Mr. TAFT in rising above party and doing the square thing. Four Southern States are now represented in the country's highest Court, Kentucky, Tennessee, Georgia and Louisiana.—W. P. Walton in Lexington Herald.

We wish President TAFT would exert himself and settle the status of Fort Thomas once and for all. Let it be moved over to Cincinnati, and maybe that would settle the controversy. In the United States Army and Navy and in both of these big departments, there are, as THEODORE would say, "a lot of molly coddles and incompetents," who know best only how to dress for parade and squint out of a monocle. We are beginning to think that if ever a war comes with one of the big Nations across the pond your Uncle SAM will get woefully licked just because of the fat slob in our War and Navy Departments.
